PROFESSIONAL SUMMARY

Motivated B.Tech Computer Science (IoT) graduate with hands-on experience in developing web applications using C#, ASP.NET MVC, SQL Server, and React.js. Skilled in building responsive user interfaces, implementing CRUD operations, and designing database-driven applications. Passionate about software development and eager to contribute to real-world projects in a fast-paced and collaborative environment.

3	C# | .NET | SQL	2026
Projects Completed	Core Technical Stack	B.Tech CSE (IoT) Graduate

TECHNICAL SKILLS & COMPETENCIES

Programming Languages:	C#, JavaScript, Python
Web Technologies:	ASP.NET MVC, .NET Core, React.js, HTML, CSS
Database Management:	SQL Server (Queries, Stored Procedures, Database Design & Optimization)
Tools & Platforms:	Visual Studio, Git (Version Control), Postman, Azure
Core Concepts:	OOP, MVC Architecture, REST APIs, LINQ, Entity Framework, Agile Methodology
Soft Skills:	Problem Solving, Teamwork, Communication, Quick Learning, Time Management, Leadership

PROJECTS

Employee Management System

Technologies: ASP.NET MVC, C#, SQL Server

- Developed a complete web application to manage employee records and department information.
- Implemented CRUD operations for 1000+ employee records using ASP.NET MVC and SQL Server.
- Designed and optimized database schema for better performance and data retrieval.
- Added validation and error handling for a smooth user experience.

E-Commerce Web Application

Technologies: React.js, JavaScript, HTML, CSS

- Developed a responsive e-commerce web application using React.js.
- Implemented product listing, search, filtering and shopping cart features.
- Created reusable components to improve code maintainability.
- Optimized UI/UX for better user engagement and performance.

Smart Expense Tracker

Technologies: C#, .NET, SQL Server

- Developed a personal expense tracking application with income and expense management features.
- Generated automated monthly spending reports and summaries.
- Used SQL Server for secure, structured data storage.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science & Engineering (IoT) 2022 - 2026

A.K.T.U. University

CERTIFICATIONS

- Network Technician Career Path (Cisco Networking Academy)
- Introduction to C# (Microsoft Learn)
- SQL Certification (Microsoft Learn)
